PLEASE COMPLETE THIS FORM AND RETURN TO ORDERS@RECTORYFARMPYO.CO.UK

We can accommodate school and group trips on Wednesdays & Thursdays with a preferred arrival time of 10:30am. Trips commence with a 45 - 60 minute pick your own tour led by Imogen the farmer, who will tailor the content & timings to your age group. This can be followed by free time to enjoy the cafe, outdoor seating area and adventure playground.

Picnic lunches and snacks including ice creams in the summer months can be provided by our cafe (please request menus and prices in requests section) or visitors are welcome to bring their own snacks / packed lunches to eat in our outdoor space. We have toilet and hand washing facilities on site and our farm is wheelchair friendly in the dry months. Our car park can accommodate buses and coaches.

The pick your own tours are provided free of charge. On the way around, everyone will be encouraged to pick and try the produce and fill a punnet which is charged at £3 per head. Depending on the time of year, punnets can be filled with strawberries, raspberries, blackcurrants, redcurrants, gooseberries, blackberries, courgettes, sweetcorn, rhubarb, broad beans and flowers. Please take a look at the Pick Your Own page on our website for an idea of what will be in season during your visit.

For safety reasons we cannot offer tours of our farm yard where farm vehicles and machinery are in constant use.
